# REPORT

FOR THE YEAR ENDING 31st DECEMBER, 1927.

---

In submitting this, the 52nd Annual Report, the Board regrets to have to say that once again Income has not balanced Expenditure, the Deficit on the year's working amounts to £1,825 11s. 8d., or with the Extra-ordinary Expenditure of £745 11s. 3d. for the completion of the Electro-Medical Block to £2,571 2s. 11d. The Bank overdraft has increased to £7,054 15s. 7d.

Continued bad trade, unfavourable weather for the Gala and other causes afford a ready and partial explanation for this deplorable state of affairs; but something will have to be done at once to put things on a better footing if the work of the Hospital is to be carried on as at present. We require at least £2,000 a year more Income to do this, and even if the present sources of income, much as we appreciate them and the self-sacrificing efforts of their promoters, were again to provide as much as they have ever done, it would not be enough; and unless they can provide considerably more, other sources will have to be tapped.

After all, this is the only Hospital for the Borough and surrounding District, comprising a population of 70,000 people, which deals not only with accidents but with all cases, both Medical and Surgical, even the most serious; at a minimum of inconvenience and expense to the patients and their friends; and it is surely not unreasonable to ask that all who may at some time require its services—and this means *everybody*—should treat it as an insurable risk, just as they would fire or accident, and whilst in good health should make *regular and periodical contributions*, and thus help to keep the Hospital going *all the time*, instead of waiting until they themselves have to come into Hospital and then, when they leave, make a more or less adequate payment by way of acknowledgment.

The Hospital is now much more than a charitable institution for providing those too poor to pay, with medical and surgical treatment, it is used by all classes; and the public have surely no right to expect it to be kept in going order ready for their use when they want it, without contributing sufficient funds in the meantime to keep it going.

This chronic state of insolvency is giving the Board serious concern and will probably in the near future require new measures to cope with it.

THE BAZAAR FUND now stands thus:—

	£	s.	d.
Balance from last year ... ...	1192	8	6
Electro-Medical Block (completion)	745	11	3
(For details see Balance Sheet).			
Balance unspent ... £446 17 3			

Turning now to the normal activities of the Hospital:

THE HON. MEDICAL STAFF remains unchanged, except for the death of the late Dr. John C. Crawford. Dr. Crawford was appointed a member of the Hon. Medical Staff in 1908 and rendered most useful service especially during the War period when he acted as anæsthetist. On his resignation in 1919, he was appointed a member of the Consulting Staff. His genial and kindly person will be always remembered with affection.

THE RESIDENT MEDICAL OFFICER. Miss Mary A. J. Melville, M.B., Ch.B., retired in August after 18 months of efficient and much appreciated service, and has been succeeded by Mrs. A. V. Neilson, M.B., B.S. (Durham).

THE NURSING STAFF comprises the Matron, 7 Sisters (including the Sister-Tutor), 6 Staff Nurses, and 28 Probationers.

THE DOMESTIC STAFF comprises the Porter and Engineer, the Cook and 18 Domestic Servants.

THE SURGICAL AND MEDICAL CLINICS have been maintained at their normal efficiency and without further interruption from the Smallpox Epidemic still prevailing in the Borough.

THE ELECTRO-MEDICAL CLINIC comprises, in addition to (1) An *X-Ray Dept.* and (2) An *Ultra-Violet Ray Dept.* (fully described in last year's Report), to the latter of which Ald. W. A. Brigg, J.P., has given a Kromayer Lamp, which provides a local and concentrated application of the rays. (3) A *Diathermy Department* equipped with an apparatus of the latest type, the very generous gift of Mr. Leolin Brigg, which generates a current of 1,000 to 3,000 milliamperes and is used for the cure of rheumatism, etc., and for certain *Surgical Operations*.

That full and increasing use is being made of the Clinic is shown by the following returns:—

X-Rays taken	...	...	...	...	2102
Screen Examinations	...	...	...	...	375
Prints	...	...	...	...	136
X-Ray Treatments	...	...	...	...	1237
Diathermy Treatments	...	...	...	...	690
Alpine Sun Treatments	...	...	...	...	11073
Dental X-Rays	...	...	...	...	34
Foreign bodies removed under screen	...				3

THE OPHTHALMIC CLINIC has been enriched by the generous gift, again of Mr. Leolin Brigg, of a Mellinger Giant Magnet, which will draw particles of iron and steel from the eye and other parts of the body. The number of Patients treated by the Clinic was 989.

THE V.D. CLINIC is now housed at the rear of the Hospital in a Building which has been fitted up at the charge of the West Riding County Council; and patients need no longer pass through the main building to reach it.

There have been 2,733 attendances as follows:—

New Patients during the year	...	...	152
Patients remaining from last year	...	...	60
Total treated this year	...	...	212

THE WAR PENSIONS work has been small. Only 1 In-patient and 1 Out-patient were treated, with 83 attendances.

THE NATIONAL HEALTH INSURANCE CLINIC has had 42 Sessions.

THE NURSES' TRAINING SCHOOL has been carried on under Sister-Tutor Myles who was appointed in February, 1927. She has lectured on Nursing (Theory and Practical), Anatomy and Physiology.

In the Preliminary Examination out of 6 entrants 6 passed, and in the Final Examination, out of 6 entrants 5 passed.

THE PRIVATE WARDS have been well used. There were 98 patients and the receipts amounted to £1,303 16s. 3d.

THE HOSPITAL LIBRARY has been carried on with increasing appreciation by Miss E. Myers, the Hon. Librarian.

EQUIPMENT. In addition to the gifts already mentioned, the Board gratefully acknowledge the following:—

*A Typewriter* from the friends at the Temple Street 'Ideal Home' Bazaar.

*A Trophy* presented by Mr. Holmes Wright, to be held by the Collector with the largest Box collection for the year.

*Headphones*, purchased from the proceeds of a Concert arranged by Mr. Watkinson.

BUILDINGS. No addition has been made to the existing Buildings, but a new Store-Room is long overdue. The Casualty Reception Room has been converted into a Service Pantry, and the old Medical Staff Room made an Ante-Room to the Secretary's Office.

FINANCE. There has been a Deficit on the year's working of £2,571 2s. 11d.

The Board desires to express its gratitude to the Donors of the following special sources of Income:—

*The Workpeople's Collection Committee* has handed in a sum of £2,907 18s. 8d., which is £393 19s. 1d. more than last year.

*The Friendly Societies' Gala Committee* for the first time since 1912 were unlucky in the weather, and to this and to the lack of support given to the Band performances is due the reduced amount handed in by them, £700, as compared with £1,200 last year.

*The Hospital Week Collection* amounted to £516 4s. 3d., an increase of £6 1s. 3d. on last year.

*The Elementary Schools' Sports Carnival* was again lucky in its weather and as a result, the sum of £23 has been added to the School Cot Endowment Fund.

*The Wireless Set* given by Messrs. Asa Smith and Joseph Midgley in 1924 has been maintained by them for another year.

*The Feoffees of Bowcock's Charity* have again given a Donation of £250.

*The Hospital Ball* did not contribute anything to this year's account as it was not held until January, 1928.

*The Haworth Operatic and Dramatic Society*, which was only formed this year, has given us £14 5s. 0d.

*The Silsden Amateur Operatic and Dramatic Society* has given us £5 0s. 0d.

*The Keighley and District Cage Bird Society* gave us £10 15s. 1d. and £7 0s. 0d. as a result of their Annual Shows.

*A Rummage Sale*, organised by the Chairman and others, realised £55 16s. 6d.

*An Open Garden Collection* at Mr. Alex. Keighley's old-world Garden at the High Hall, Steeton, realised £21 8s. 6d.

THE LINEN GUILD has continued its useful work, and in addition to providing many useful articles has handed £70 to the General Account.

**EGG COLLECTION.** Under the Countess of Harewood's scheme, the Ladies' Committee organised Collections on the 6th and 13th of April, which resulted in 15,666 eggs (including 2,962 from the Skipton Area), which have been a great help to the Hospital.

LADIES' DISTRICT COMMITTEES have now been formed for :—

*Steeton.* Chairman : Mrs. Sam Clough ; Hon. Secretary : Mrs. Arthur Dixon ; Hon. Treasurer : Mrs. James Pearson ; and they have handed in a sum of £57 8s. 0d.

*Crosshills.* Hon. Secretary : Mrs. Canter ; and they have handed in a sum of £63 18s. 0d.

*Oakworth.* Chairman : Mrs. A. E. Newsholme ; though only formed this year has already raised the sum of £33 12s. 0d.

*Oxenhope.* Chairman : Mrs. A. J. P. Heaton.

It is hoped that the Ladies of Silsden, Haworth, and Morton Banks will complete the chain this year.

THE ENDOWMENT FUND has been increased by the following sums :—

Under the Will of the late *Mr. Thos. Keighley* (who served on the Board from 1889 to 1892) £500 0 0

Under the Will of the late <i>Mrs. Annie Jones</i> , of Utley	...	£500	0	0
From <i>Alfred Holmes, Esq.</i> , of Earl Villas, in memory of his mother, the late <i>Mrs. Mary Smith Holmes</i>	...	£1000	0	0
<i>Anonymous</i>	...	£1000	0	0
<i>Mr. Jas. Pearson Smith</i> (on his 21st birthday)	...	£500	0	0

The Board record these gifts with deep gratitude and will, in these and all similar gifts, treat them as an Endowment for the maintenance of a Bed to bear the name of the Donor.

If the example set by these generous Donors were largely followed the Hospital would soon be put on a sound financial basis.

A list of Donors of Beds will be found on page 104.

THE BOARD OF MANAGEMENT will miss the valued services of Messrs. Whitaker, Lambert, J. R. Wilson, Goodier, Pemberton, and Dumbleton; and *The Ladies' Committee* especially feels the loss by resignation of Mrs. F. W. Petty and Miss Alice Clough, who no longer live in England. Both have rendered great service, especially Miss Clough, who was first elected in 1910 and served as Chairman of the House Committee for some years.

THE HON. TREASURER, Sir James Haggas, who has been Hon. Treasurer since 1906, did not seek re-election at the last Annual Meeting; and his retirement from that post was regretfully accepted by the Governors. Sir James's name will always be associated with the revival and practically the new birth of the Workpeople's Collection Committee in 1907; when its Annual Contribution was raised from £74 to £310 and has ever since been the sheet anchor of our finance. Sir James, as a Trustee, will still be able to give his valued services to the Hospital.

THE SECRETARY, Miss Hoyle, has been confined to bed by illness since the end of September last, and at a Meeting of the Board held on the 11th of January, 1928, her resignation was most regretfully accepted, and a resolution expressing the high appreciation in which her services were held was carried unanimously. Miss Hoyle took up office in 1918 soon after the Hospital had been converted into a War Hospital; and through all that strenuous period and ever since she has tackled the always growing burdens entailed by the ever-increasing activities of the Hospital with unflagging courage and goodwill. Her unvarying display of courtesy and sympathy to patients and visitors, and her cheerful friendship with the Staff and Board will long be remembered. The hope for her speedy recovery will be universal. Miss Trigg has been acting most efficiently for some time as Miss Hoyle's deputy.

OBITUARY. The late Mrs. Arthur Sellers served on the Ladies' Committee from 1916 to 1920. She was a warm friend of the Hospital and had much to do with the anonymous gift in 1924 of £1,000 in memory of her mother.

CONGRATULATIONS are tendered to Sir Berkeley Moynihan, one of our Hon. Consulting Staff, on his election to the Presidency of the Royal College of Surgeons.

THANKS. The Board desires to place on record its indebtedness and thanks to the Hon. Medical Staff for the unwearying and devoted services given cheerfully and without fee at all times of the day and night at great personal sacrifice; to the Matron, the Resident Medical Officer, the Nursing Staff, and the Domestic Staff for the efficiency with which they carried out their respective duties; to the Press for their many services; to all who have rendered personal service in helping the finances of the Hospital, and to the public generally for their continued confidence and support.

We submit to you the Eighteenth Annual Report of our Income for the year 1927. We are glad to be able to show a substantial increase in our income for the year, due in the main to a better method of taking the collections, a slight improvement in trade, and the absence of any disorganisation of trade by strikes.

The Institution needs a much bigger income if the work is to continue on the voluntary system; this can be done, we feel sure, if there was a closer union in the various efforts being made, a more uniform and reliable method of taking collections and donations by both workpeople and employers. Generosity, regularity, and reliability can do much towards solving the problem of the income.

The Board of Management has done much towards fitting up the Institution with up-to-date equipment. The Nursing and Medical Staff are untiring in their efforts for those placed under their care, and it should be the pleasure—as well as it is the privilege of the Workpeople and their Employers—to find the money.

6,070 visits have been made to different persons, places, etc. Sixty-two meetings have been held and addressed, representing 3,000 workpeople. Twenty-nine new contributors have been placed upon the book, while thirty-four, for various reasons, have been removed from the books, leaving the number now on the list at 476. In the Borough you have 339 and in the District 137.

We have shown the amounts contributed in collections, etc., for the year, and the amounts contributed by Employers' Donations as subsidies to Workpeople's Contributions. The Borough shows an increase in collections, etc., for the year of £213/7/8½, and an increase in Employers' Donations of £23/7/5, making a total increase from the Borough for the year of £236/15/1½. The District shows an increase in collections, etc., for the year of £150/4/7½, and a decrease in Employers' Donations for the year of £2/11/7.

We appeal to ALL to make the New Year upon which we have entered the best we have had. Take an interest in the work! Adopt the right methods! Let Workpeople and their Employers co-operate, and the New Year will witness a further increase in the income—and make it possible to carry on the work.

WORKPEOPLE'S COLLECTION COMMITTEE'S  
INCOME for the Year ending December 31st, 1927.
